

KNOB NOSTER FIRE DEPARTMENT

2018

RUN SUMMARY

Knob Noster Fire Department

2018 Year End Run Summery

The Knob Noster Fire Department has responded to a variety of calls in 2018. This variety of responses has kept KNFD Officers and Fire Fighters busy researching new training topics that will benefit the community when dealing with these incidents.

Currently KNFD is staffed with 4 Officers and 9 Fire Fighters. Those Fire Fighters include 3 Fire Fighter/Paramedics, 3 Fire Fighter/EMT-B, 2 Fire Fighter/First Responders and 5 Fire Fighters. We hold training meetings every Thursday night for approximately 2 to 3 hours depending on the training topic presented. Occasionally training is held on the weekends, so that those volunteers working during the week can also maintain their skills.

Attached is a run summary of not only 2018 but also includes run totals that go back to 1991. As you can see by the calls listed there are many different types of responses needed on a daily basis. KNFD has a small group of volunteers that are trained for many situations.

Our response numbers were up about 12 % in 2018. With medicals, mutual aid responses, and motor vehicle accidents accounting for the increase in last year's totals.

KNFD's fire prevention and Public Relations programs are presented to the School District and community groups as requested. KNFD wants to make sure that we are available to present updated information to those that are interested in what the Fire Department does for their community. We have also supported the local sports events, 5k Run during the Knob Noster Fair, Hot Rods for Heros, Homecoming, and provided escorts for sports and academic teams returning from competitions. This visibility gives us the chance to share fire prevention ideas, recruitment information, and general knowledge about the fire service.

Our Motto is "Being There". KNFD is there for the community and our neighbors.

In closing I would like to thank the Mayor, Board of Alderman, and City Administrator for your support. If at any time you would like to tour your Fire Department's facility please contact me.

KNFD members would be happy to show you around.

Respectfully,

Rick Johnson, Chief

Knob Noster Fire Department
