Pursuant to and in compliance with the Notice to Contractors, the undersigned bidder proposes and agrees, if this proposal is accepted, to furnish all labor, materials, tools, supplies, equipment, and supervision and to do all work necessary to remove and replace asphalt, by way of mill and overlay, approximately one (1) lane mile of roadway in the City. Work will include the milling of the surface asphalt by up to two (2) inches in depth, and the replacement of plant mix asphalt pavement in accordance with the current version of the Missouri Standard Specifications for Highway Construction, 2021, Section 401. It is the contractor's responsibility to properly measure the roads prior to submitting a bid to come up with the required costs. This project will take place on S. Washington Avenue and will consist of a Base Bid and three (3) Add Alternates.

This addendum shall become part of the RFP and MUST be returned with the RFP.
