Starting with the October 15, 2022 grant cycle, there will be two categories of grant applications: one for large scale projects (between \$1,001 to \$5,000) and one for small scale projects (between \$0-\$1,000). Only 1 large scale project will be awarded in a grant cycle. Small scale projects will be awarded as funds allow. The private match requirement for each grant will be determined by the table below.

	Total Project Costs	Grant Committee Approval	Grant Funds (% of total costs)	Applicant Match (% of total costs)
Large Scale	\$1,001-\$5,000	Required	90%	10%
Small Scale	Up to \$1,000	Required	90%	10%

1. One grant per cycle may be awarded per property. A property is considered any individual platted lot or tract of land described by metes and bounds.
2. Any work done prior to the approval of a grant application and Notice to Proceed being issued by the City is not eligible for funding.
3. Grant funds and the required private matching funds are to be spent for actual owner-paid, direct expenses approved by the grant committee such as purchasing materials and paying a contractor.
4. All contractors performing work associated with a Façade Grant must have a current City of Knob Noster Business License. Business Licenses may obtained from City Hall.
5. Funding is limited and the amount awarded for a project is at the discretion of the City.
6. Applicants that have received a Facade Grant in previous cycles may have to sit one year out if there are an abundance of applications in any given year.
7. Information on the Secretary of Interior's standards is available at http://www.nps.gov/hps/tps/standguide/rehab/rehab_index.htm

Small Scale Projects

1. Applications for small scale projects can be submitted starting October 15, 2022 until November 30, 2022.
2. Grants for small scale projects are awarded on a first-come, first-served, competitive basis.
3. The small scale grant review process may take up to 30 days from the date the application is received. If a building permit is required, that could extend the review period.

Large Scale Projects

1. Applications for large scale projects can be submitted starting October 15, 2022 --November 30, 2022.
2. Applications received during the October 15 --November 30, 2022 application window will be evaluated on a competitive basis.
3. An award for the large scale project to be funded may take up to 30 days from the date the application is received. If a building permit is required, that could extend the review period.
4. Any large scale application that is not funded, may amend their project and apply for a small scale grant.

Judging Criteria for Small Scale and Large Scale Projects

Applications will be scored based upon the following criteria.

3. If the grant is approved, the applicant must fill out a W-9 form and return to the City, prior to receiving funding disbursements.
4. The City will issue a Notice to Proceed which will include the amount of grant funds awarded and the amount of matching funds required.
5. Applicant will complete the work at their own expense.
6. All work must be completed by February 28, 2023, unless pre-approved by the City of Knob Noster.
7. The applicant will then submit 1) "after" photographs of the completed work and 2) copies of paid invoices to prove how the grant money and match money was spent to the City by September 1 of the grant cycle.
